

MOHD YUSUF LARI

PROCUREMENT ENGINEER

CAREER OBJECTIVE

Experienced Procurement Engineer with 1.5+ years of expertise in the Leather goods & Footwear manufacturing sector. Proven track record of optimizing procurement processes and achieving significant cost savings. Skilled in strategic sourcing, contract negotiation, and supplier relationship management. Proficient in utilizing ERP systems and data analysis tools to streamline operations. Committed to ensuring timely delivery of materials and equipment while maintaining high quality standards.

Work Experience

Procurement Engineer **March, 2023 - Present**

Superhouse Limited

- Successfully led procurement activities for all our units which are located at Unnao, Kanpur and Agra, ensuring timely and cost-effective acquisition of goods and services.
- Conducted market research and supplier assessments to identify potential vendors and maintain a capable supplier base.
- Negotiated contracts and terms with suppliers to achieve favorable pricing, delivery schedules, and quality standards.
- Implemented cost-saving initiatives, resulting in good savings in procurement expenses.
- Monitored supplier performance, conducted audits, and resolved any issues or disputes that arose during the procurement process.
- Maintained accurate records of procurement activities, including purchase orders, contracts, and supplier documentation.
- Ensured compliance with company policies, industry regulations, and ethical standards in all procurement activities.
- Developed and maintained a comprehensive supplier database for tracking parts and costs.
- Implemented an effective supplier evaluation process to ensure quality and reliability of components.
