RESUME

DHYANENDRA KUSHWAHA

Course : B.tech.
Branch : Mechanical Engineering
Date of Birth : 10-09-1998
E-mail : dhyanendrakushwaha@gmail.com
Contact No : +919839295616.

CAREER OBJECTIVE

I wish to become a successful professional in the field of engineering with committed and dedicated people in the creative environment, to enrich my knowledge and to explore the possibility of growth with hard work, sincerity and hence serving the organization with the best of my abilities and skills.

EDUCATIONAL QUALIFICATION

Qualification	Specialization	College/School	Board/University	Passing Year	Per.%
B. tech	Mechanical Engineering	Vision Institute of Technology, Kanpur.	A. K. T. U University	2019	77 (Hons)
XII Class	Science	B.L.M. I C, Virat Nagar, Ahirwan, Kanpur.	U.P. Board	2015	84.40
X Class	-	Radha Krishna S.H.S.S. Sukhanipur, Kanpur.	U.P. Board	2013	77.00

SUMMER INTENRSHIP

Company : "Ordnance Equipment Factory"

Work-Shop : Machine Shop

Place : Kanpur, Uttar Pradesh

Duration : 04 Weeks.

PROFESSIONAL WORKING EXPERIANCES

Job Title: Senior Executive – Operation (Production)

Name of Organization: "Aadhunik Materials and Science Pvt. Ltd**".**

Organization City/State: Defence Corridor, Sarh, Kanpur, Uttar Pradesh

(i) Operation of High temperature furnaces Stabilization 400°C and Pyrolysis 1400°C &1800°C, CVD/ CVI, Omega Furnace etc.

(ii) Synthesis of raw materials and finished product which is SiC fiber.

(iii) Polymer characterization and analysis by various sophisticated characterization equipment TGA, TGMS,

GPC, SEM, XRD, Sterio-microscope and FTIR etc.

(iv) Mechanical testing of final product (SiC fiber) by UTM.

Job Title: Testing Engineer

Name of Organization: "VB Ceramic Consultants".

City/State: Kottivakkam, Chennai- 600041.

Date of Employment: From. 22/06/2020 to 21/12/2020.

Profile Summery: I have worked in VBCC served under the organization installation and testing Engineer.

1. Maintained paper work of company supplies and equipment.
2. Project coordination with seniors at higher productivity.
3. Proper checking and installation equipment at right place.

Job Title: Project Engineer

Name of Organization: "Defence Materials and Store Research & Development Establishment, DRDO

City/State: P.O. GT Road, Kanpur, Uttar Pradesh- 208013.

Date of Employment: From. 19/08/2019 to 31/05/2020.

Profile Summary: I have worked in **DMSRDE (DRDO)** in a Science &Technology project in which I engaged with mainly operation of various ceramic processing equipment and also involve in different technical activities.

• I have worked in Defence Materials and Stores Research and Development Establishment DRDO on contract basis under M/S Apache Enterprises Company.

Work Experience: Technical activities of ceramic division
Operating on Hydraulic Press, Omega Furnace, Chemical Vapor Deposition machine Cutting machine, Grinding machine etc.

Operations of many various process equipment under the my operations as given below:

(i). Preparation of high temperature composite material

(ii). Oxidation of materials at different temperatures for long durations

(iii). Pyrolysis of materials at higher temperatures under inert atmospheres.

(iv). Tensile testing on Universal Testing Machine.

(v). Making a Carbon- Phenolic Resin composite laminate.

Key Skills:

- Receive complaints and resolves problems.
- Prepare and submit monthly working performance report.
- Project coordination the research and production of product.
- Supervision of the many machine under the my operation.
- Good bonding teamwork and communication.
- Maintain timekeeping and employee record.

TECHANICAL ACTIVITES

TECHNICAL SKILLS :

- Knowledge of Microsoft Word, Microsoft Excel, Microsoft PowerPoint etc
- Knowledge of Composite materials & Fibers
- 5S, KIZEN
- Communication skills
- Production planning
- Quality control
- Leadership etc.

STRENGTH :

- Honesty and Integrity.
- Self-motivated and keep patience in any situation.
- Positive attitude
- Ability to solve problem quickly and smart working.
