Karachi, Pakistan

PROFESSIONAL SUMMARY

Eager to continue my professional journey with an organization that is solution-driven, people-oriented, and committed to making a positive impact, my aspiration is to contribute meaningfully to society while fostering my personal and professional growth. With a firm belief in the transformative power of continuous learning, I aim to evolve into a valuable member of society and a valued professional.
I am earnestly seeking a dynamic environment where my commitment to solutions, people, and societal betterment aligns seamlessly with the ethos of the company.

STRENGTHS AND EXPERTISE

Cultural Competence	Internal Audit	CRM Navigation
Project Management	Risk Management	Effective Communication
Strategic Thinking	Solution Oriented	Resilience

PROFESSIONAL EXPERIENCE

Immaculate Cleaning Service **March 2023 - July 2023**

Partner

ICS vision was to offer multi-cleaning solutions to both individuals and commercial entities. All of our services were mobile where we visited people and so they could use their time doing what else mattered.

Accomplishments:

- Partnered with different service professionals and created a network of cleaners.
- Operations in multiple Provinces.
- Website : immaculatecleaningservice.ca
- This entrepreneurial venture, though met with financial challenges leading to its closure, provided invaluable lessons

Digital Hire - SAAS

Business Development Executive **December 2022 - January 2023**

The primary responsibilities included engaging potential clients, conducting sales presentations, negotiating and closing deals, and building long-term client relationships. This role required a deep understanding of the SAAS product, market analysis to stay competitive and collaboration with marketing for effective campaigns.
DigitalHire aims to automate the hiring process for companies facing recruitment challenges by offering their video recruitment software, employer branding and other hiring solutions.

Ibex Global

Assurance Specialist **October 2020 - October 2022**

As an Assurance Specialist, I played a pivotal role in safeguarding organizational integrity and financial stability through audit processes and the implementation of the risk management strategies.
I was employed to work for SquareTrade Inc. which is an American extended warranty service provider for consumer electronics and appliances headquartered in San Francisco, US.

Accomplishments:

- I was selected for the leadership training program that formed a pool of potential candidates to equip them with necessary skills and gave them the prospect to become future managers.
- Awarded employee of the month title for the 3rd month after joining.
- Reputation for negotiations and conflict resolution before the matters escalated to our Legal team.

Tribe Consulting

Customer Support **July 2019- January 2020**

In this role I was primarily serving as the order taking line for Papa John's Pizza in the United States. This role marked the beginning of my employment journey, providing valuable experience in customer service, time management, and teamwork.

Accomplishments:

- Towards the end of my employment, I used to have the least average handling time (AHT) for a call among over 80 of my colleagues.

EDUCATION

Chartered Management Accountancy - ICMAP

Having passed the first two levels and clearing 15/18 exams I am currently studying to get my last and final certificate for strategic level.

Intermediate -DJ Sindh Govt. Science College

Completed in 2016 with engineering group and managed to secure 74% marks.

Matriculation - OISS

Passed Matriculation with computer science group in 2014 & secured 84% marks.

INTERESTS & HOBBIES

- I play Badminton as a competitive sport and have represented Sindh Team in national tournaments.
- Poetry - I write and I might soon publish the first edition of my collection.
- Philosophy.
- Swimming.
