SUMMARY

Experienced Senior Management and Lead Sales Team with a demonstrated history of working and well experience in Defense Safety & Security Equipment's Ballistic Products as well as Industrial Safety Products PPEs.

Specialization: I am very much capable to handle and Lead entire Sales Team of company whether Institutional Sales or Corporate Sales As I have worked on that role during my past experience in previous companies. I just share my work experience to my team, motivate them to work with free mind and smooth, also monitor their work, reporting and guide to how we can achieve the target for the growth of company.

Sector/Industries in which I have worked: To be very frank, I hereby declare that I have worked only in two sectors of industries first Ballistic Products (Defense Safety & Securities Equipment) & Industrial Safety Products PPEs and also having average+ Technical knowledge of products related to both industries/sectors.

Major Products in which having average+ experience: Ballistic Products & Industrial Safety Products Like Safety Garments & Safety Shoes .

EXPERIENCE

Around 15+ years huge experience in sales & marketing as below :

Asst. Manager Excise Department — Sep 2004 – May 2007
