About Me

I am Prajvi Srivastava, currently in 7th semester pursuing a Bachelor’s in Design at NIFT. With a strong foundation in leather goods, from design to the construction of finished products, I bring a fresh perspective to every challenge, infusing projects with originality and vitality. I am seeking opportunities in the field of design where I can apply my skills and creative vision.

WORK EXPERIENCE

- Intern, Nuova Shoes Noida, Sector 83 — 2-months internship in Bags and Footwear, 2024
- Volunteer : Bharat Tex 2024, Bharat Mandapam & Yashobhoomi, Delhi
- Craft Research Cluster Visit Fatehpur Sikri, Agra, UP —June 2023 & August 2024
- Tannery Training Superhouse, UP — July 16-29, 2023
- Volunteer : Lulu Fashion Week 2023
- Volunteer : NIFT DC Show 2023

HANDS-ON EXPERIENCE

- Experienced in product, footwear, and garment construction with strong skills in 3D modeling, mock-ups, and prototyping. Proficient in designing various bags (drawstring, duffle, hobo, tote), accessories (belts, leather jewelry), and diverse footwear (sandals, ghillie shoes, boots). Skilled in pattern drafting and garment construction for men’s and women’s wear, with expertise in trend forecasting and Promostyl/WGSN.
- Adept in diverse crafting techniques, including including hand embroidery, patchwork, pleating, screen printing, tie-dye, block printing, applique, quilting, embossing, debossing, leather washing, and hand padding.
